

ST ALBANS NORTH
PRIMARY SCHOOL

7th November 2025

Dear Parents/Carers,

St Albans North Primary School is looking forward to another great year of teaching and learning and would like to advise you of St Albans North Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, parent contributions continue to provide an important and critical source of funding which enables us to supply resources necessary to maximise the successful delivery of our learning programs. The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support.

Within our school this support has allowed us to purchase materials which support our teaching and your child's learning, e.g.

- School iPads for every child
- Subscriptions to online resources
- New books for classroom libraries
- Hands on materials for teaching mathematics
- Sports equipment
- Art/Music resources
- Classroom furniture
- Wellbeing learning resources

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

Cameron Black
Principal

Michael Powney
School Council President
